

**AMENDMENTS TO THE CLAIMS:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

1. (Currently amended) A paint conduit comprising:  
    a first end and a second end;  
    a conduit wall enclosing an interior;  
    a cleaning device comprising a hose arranged in the interior and a pressurized fluid source connected ~~connectable~~ to one end of the hose via a pressurized fluid intake so as to hold the end of the hose at the first end of the conduit; and  
    a fastening device arranged to connect another end of the hose to the second end of the conduit.
2. (Original) The paint conduit according to claim 1, wherein the hose is expandable at least in a radial direction of the hose.
3. (Original) The paint conduit according to claim 1, further comprising a controllable return outlet.

4. (Original) The paint conduit according to claim 1, wherein the pressurized fluid source is controllable.

5. (Original) The paint conduit according to claim 1, wherein the hose is closed at the end that is facing away from the pressurized fluid source.

6. (Original) The paint conduit according to claim 1, wherein the hose is provided with a closable exit from the interior.

7. (Original) The paint conduit according to claim 1, wherein the hose is secured relative to the paint conduit at least in the area of the end of the interior facing away from the pressurized fluid source.
